

Asha Anderson is an artist that does multimedia art. Currently, she is attending college studying business, graphic design, and art. Asha uses different styles of art such as; paint, color pencil, ink, and digital art. However, her main styles of art are cartooning, comic art, and abstract art. Adding to that she is capable of much more, and is continuing to share her art.

As a graphic designer she can design logos, business cards, flyers, and design and set up social media pages. Asha strives to inspire with the art that she creates and to give clients satisfaction in the work they want done.
